

Green Homes Grant Scheme

The Green Homes Grant scheme will open on Wednesday (30 September) for Mendip residents to apply for vouchers worth thousands of pounds to make homes more energy efficient.

All Mendip homeowners and landlords can apply for vouchers for green home improvements where the government will fund two-thirds of the cost of eligible works, up to £5,000, which could help families save on energy bills. Low income households will be eligible for up to 100% government funding up to £10,000.

The scheme covers home insulation, low-carbon heating, draught proofing, windows and doors and heating controls, and is applicable for all owner-occupied homes, landlords of privately and socially rented properties, park home owners, as well as people on low-incomes.

Residents must redeem the voucher and ensure improvements are completed by 31 March 2021.

Residents can check to see if they are eligible for a voucher by using Simple Energy Advice's checker here: www.simpleenergyadvice.org.uk/pages/green-homes-grant

If you need advice and support on how to apply for the Green Homes Grant voucher, please contact the Centre for Sustainable Energy (CSE) www.cse.org.uk/advice.
